A Message from Mr Duffy (Vice Principal):

Standing in assembly on Friday mornings is always a moment of pride for us as a school. It's a time when we come together to celebrate the great successes of the week, whether that's the thoughtful and creative Own Learning outcomes pupils share or the impressive classwork and collaboration we see across the school. This week, we also highlighted wider achievements from outside school, including pupils who have passed their music assessments, with some reaching as high as Grade 3. These moments remind us just how varied and rich our children's accomplishments are.

Behind all of this sits the strong partnership between home and school. The encouragement, routines and curiosity nurtured at home play a huge part in helping pupils achieve their best. That teamwork was clear again in our excellent Year 4 Anglo-Saxon assembly, which was informative, humorous and thoroughly engaging. The children's confidence and preparedness reflected the support they receive both in school and home.

Thank you to all our families for the role you play in helping our pupils thrive.
