## A Message from Mr Herdman:

Whilst your children were not in school on Wednesday, we had the privilege of hosting a training day for all the Primary Schools within our Trust. Teachers received training on the latest national thinking around the teaching of writing, while our support staff took part in sessions focused on research-based approaches to fostering children's independence and supporting those with SEN/D.

There was a fantastic buzz around the school as our team joined over 250 colleagues to learn and connect. We look forward to seeing the impact of this training as we continue to put these ideas into action.

As a school we are committed to continually improving. Our development programmes for staff were recognised by Ofsted in our report. Our team work hard to be the best they can be for our children and we are always open to feedback. Thank you for supporting us in this.

## Notices:

### PINS Coffee Morning

You are warmly invited to attend a special Coffee Morning this Friday where a PINS representative will be on hand to talk to parents and hear any concerns they may have. These sessions are designed for parents/carers of children that are suspected of having, or are diagnosed with, special educational needs. Please see further information about PINS attached to this Newsletter. We look forward to welcoming as many families as possible to the session. Tea, coffee and biscuits will be provided and you are welcome to bring any babies or young children with you.

### Art competitions – Sunbury in Bloom and Rotary Young Artist

There are two art competitions that KMPS children have been invited to take part in. Please see the information for both attached with this Newsletter. Please ensure you fill out the entry form for the Rotary Young Artist Competition (hard copies available in the office) and for both competitions, your child's name, age and class need to be written on the back of their artwork.
